CLAY BRIGHT
COMMISSIONER

BILL LEE
GOVERNOR

TO: Will Reid, Assistant Chief Engineer of Operations
FROM:  Ronnie Porter, Director, Program Development and Administration Division
SUBJECT: **Proprietary Item Request and Justification for the City of Martin for Lighting**

I, Ronnie Porter, Director of the Program Development and Administration Division, request approval for the City of Martin to be certified to utilize the following proprietary item(s) over the next three years, where Federal funding is used:

North Yorkshire Aluminum Pole 17 inch base | Utility Washington Postlite LED2 (WAUE2)

Justification

Per the Code of Federal Regulations 23 CFR 365.411, the lightpoles are essential for synchronization with the existing lightpoles installed in phases 1-4. These lights are necessary to match the visual appearance of the existing lightpoles. See attached letter.

If you have any questions or comments, please contact **Sarah Sutton** at (615)532-3824 with the Local Programs Development Office or at Sarah.Sutton@tn.gov.

I, Ronnie Porter, Program Development and Administration Division Director, of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary item(s) as listed above is essential for the synchronization with existing facilities or no equally suitable alternative exists for this patented or proprietary item as listed above.

 Director, Traffic Operations
Recommendation for Approval

Assistant Chief Engineer of Operations

Re: Proprietary Item Request and Justification for all future TDOT projects in the City of Martin, TN for the next three years

Dear Ms. Britt:

The City of Martin is requesting a certification to specify the North Yorkshire Aluminum Pole 17-inch base Utility Washington Postlite LED 2 (WAUE2) to be used as part of the design component for the city of Martin for the next three years.

The City has completed four previous phases of the downtown enhancements projects that included the installation of the above addressed Light Poles. These products are necessary to provide synchronization with the existing poles.

If you have any questions or require additional information, please do not hesitate to contact me at (731) 587-3126.

Sincerely,

Randy Brundige, Mayor
City of Martin
